**Why did my state receive this grade?** Wisconsin is in the bottom tier and should actively work to improve statutes to make prevention education viable and accessible for youth.

**Who does this exploitation and trafficking impact?** Each year millions of children are victims of trafficking and commercial sexual exploitation, affecting communities small and large. This happens all over the world, including in your own community.

**How does this happen?** Children are most often exploited by an acquaintance (significant other, friend, family member, etc.). They are targeted, groomed, tricked, and manipulated.

EXPLOITATION BY NUMBERS

- Approximately 1.6 million children run away every year in the United States.\(^2\)
- Of the nearly 27,000 runaways reported to NCMEC in 2017, one in 7 were likely victims of child sex trafficking.\(^3\)
- There were 8,524 human trafficking cases reported in the United States in 2017 and 32% of those cases involved a minor.\(^4\)
- In 2017, 88% of trafficked children were in the care of social services at the time the exploitation began.\(^5\)

RECOMMENDED STEPS AND LEGISLATIVE ACTIONS

**TASK FORCE**
- Amend state task force to include a focus on the prevention of child exploitation and trafficking.
- Direct that a seat on the task force is filled by a child exploitation prevention expert.

**STATE DEFINITION OF CHILD ABUSE**
- Amend state statute defining child abuse to include trafficking.

**PREVENTION EDUCATION CURRICULUM**
- Mandate child exploitation prevention curriculum in all state public schools for all grade levels.
- Identify within the curriculum the need to educate youth with age appropriate curriculum on child exploitation, child trafficking, and child abuse.

**STAFF TRAINING**
- Mandate all state public school staff are trained to effectively recognize and respond to the signs of child exploitation and factors that make youth vulnerable to child exploitation.
